Dear Sir/Madam,

This letter is to request your assistance in providing the APS report to our mutual client _____, who has been soliciting the medical report for some time now with no success.

Insurance applicant name: _____.

Social security number: _____.

This insurance policy has been requested by a Federal Judge and we have a very limited time frame to fulfill his request.

The policy we are offering to this client is one that comes with living benefits, in other words, the client is able to claim his/her's insurance coverage while still living. As of today, we only have 10 additional days to fulfill the requirement of the APS report and the approval of the policy.

I am asking you to help us by providing this report ASAP otherwise the responsibility will fall on us and or you for not providing the APS report in a timely manner, and we don't want to get involved in any legal situation as the judge will determine the responsibility of this delay.

I thank you in advance for your assistance in this matter.

Sincerely,

Marco Moshe Santos
